

ARIANE HELOISE HUGHES

Lives and works in London, UK

ARTIST BIOGRAPHY

Ariane Hughes is a British/Australian painter currently based in London, UK. Hughes graduated from Camberwell University in London in 2019, obtaining a bachelor's degree in painting. The following year after graduation, she spent a year in Milan assisting sculptor Dario Ghibaudo. Hughes has mostly taken part in a variety of group shows. However, she has had solo shows in Berlin and Los Angeles. Among other galleries, her work has been featured in The Hole in Los Angeles and Brussels and Guts Gallery in London. In addition to exhibiting her works, she has curated two shows in London.
